## **DES Brownfields Program Awards Brownfields Cleanup Grant of \$200,000 to City of Nashua**

Concord, NH – The New Hampshire Brownfields Program at the New Hampshire Department of Environmental Services (DES) announced today presented the City of Nashua with a \$200,000 Brownfields Cleanup Grant to address petroleum contamination at the former Nashua Manufacturing Company Boiler House Site located at 90 Pine Street Extension in Nashua.

This grant was awarded using a portion of DES Brownfields Cleanup Revolving Loan Fund grant from the United States Environmental Protection Agency. Authorization to incur costs in connection with this grant award will be given once DES executes a cooperative agreement with the city.

Additional information regarding these awards and the DES's Brownfields Program can be obtained by contacting H. Keith DuBois, P.G., Brownfields Program Coordinator at (603) 271-2987 or [Keith.DuBois@des.nh.gov](mailto:Keith.DuBois@des.nh.gov).
